Celebrating One Year of Magic, Wonder & Friendship!

November 11, 2026

A Year of Magic, Wonder & Friendship!

One year ago, a little fairy garden began to grow. Soon, it became a whole magical world filled with colorful characters, unexpected adventures, and wonderful friendships.

From our very first fairies to the newest friends joining Harvest Grove, every story has brought something special to our garden.

Now we're celebrating our first birthday, and you're invited to join the fun!

Inside this special anniversary pack, you'll find coloring pages, puzzles, creative activities, and a little mystery to solve.

Thank you for being part of our magical journey!

Here's to another year of stories, surprises, and adventures waiting just around the corner!

With a sprinkle of fairy magic,

The Mystery of the Missing Sparkles

Read the story, then choose YOUR adventure!

A very strange morning...

One sunny morning, Sunny noticed something strange. The garden flowers were not sparkling! Usually golden sparkles danced across their petals. "How peculiar!" Sunny said, and set off to investigate.

1 **Where does Sunny look first?**

- [ ] The flower meadow, among the daisies
- [ ] The wooden bridge, beside the stream
- [ ] The garden shed, near the watering cans

Sunny searched under leaves and behind stones. Then she spotted a clue!

2 **What clue does Sunny discover?**

- [ ] A trail of golden dust toward the bushes
- [ ] A tiny silver bell that rings when touched
- [ ] A note: "Look where the sunshine dances!"

A sparkling surprise!

Following the clue, Sunny reached a clearing. The missing sparkles were all gathered in one bright cloud! "They belong in the garden," she said.

3 **How does Sunny save the day?**

- [ ] Guide the sparkling cloud toward the flowers
- [ ] Ask the garden animals to help spread the sparkles
- [ ] Wave her wand and send the sparkles dancing

Hooray! The garden sparkles again!

The sparkles drifted to roses, daisies, and tiny wildflowers. Sunny smiled. "Now THAT was an adventure!"
