
Come Sing Along in Harvest Grove!
Grab your little basket, come along with me.
Apples on the branches, pumpkins by the tree.
Pick a pear, wave hello, hear the happy crows.
Everybody's welcome where the warm wind blows.
Let's all go to Harvest Grove!
Let's have fun in Harvest Grove!
Lots to do in Harvest Grove!
Lots of food in Harvest Grove!
Stir the apple cider, stack the hay up high.
Watch the scarecrow tip his hat as butterflies go by.
Taste the sweet red apple, share a slice or two.
There's a place at every table and a job for you.
Let's all go to Harvest Grove!
Let's have fun in Harvest Grove!
Lots to do in Harvest Grove!
Lots of food in Harvest Grove!
Clap your hands, stomp your feet.
Harvest time is such a treat!
Pass the pears and pass the rolls.
Happy hearts and happy bowls!
Let's all go to Harvest Grove!
Let's have fun in Harvest Grove!
Lots to do in Harvest Grove!
Lots of food in Harvest Grove!
Let's all go to Harvest Grove!
