The Pumpkin Patch Mystery

Alpha and Beta found a tiny golden key - then it vanished!

They know it is hidden beneath ONE of these six pumpkins.

Study the patch and use all three clues to find the right one.

THE THREE CLUES

1. The pumpkin has exactly TWO leaves.
2. Its stem bends to the LEFT.
3. It is in the BACK row, closest to the fence.

Which pumpkin hides the key? Circle its number:

(1) (2) (3) (4) (5) (6)

Quinn's Secret Orchard Message

Quinn found a note tucked into the branches of her apple tree.

The note is written in a secret picture code!
Use the decoder below. Each symbol stands for one letter.

Mystery 3 | Detective: _____

HARVEST GROVE | AUTUMN MYSTERIES

Mystery Answer Key

MYSTERY 1 | THE PUMPKIN PATCH MYSTERY

The golden key is hidden beneath Pumpkin #3!

It has exactly two leaves, a stem bending left, and is in the back row nearest the fence.

MYSTERY 2 | QUINN'S SECRET ORCHARD MESSAGE

The secret code says:

MEET ME BY THE APPLE TREE

MYSTERY 3 | WHO SENT THE INVITATION?

The matching torn scrap is C.

Its edge fits the missing corner. The coded signature spells:

ALPHA & BETA

WHY DID THEY INVITE QUINN?

Alpha and Beta wanted Quinn to pose for pictures for the Harvest Grove Autumn Activity Pack!

She posed surrounded by apples, and again with woodland animals enjoying apples in the orchard.

Now you can color those very pictures in this pack!

ALL THREE MYSTERIES SOLVED!
